STONE COUNTY COMMISSION AGENDA

Mondays

The County Commission meets on Mondays to conduct routine county business, informally holds meetings and discussions with officeholders, employees, the general public, and others.

Tuesdays and Thursdays

The County Commission conducts public hearings and receives public input on Tuesdays and Thursdays, usually beginning at 9:00 a.m. and, after a lunch recess, reconvening at 1:00 p.m. **At the conclusion of the scheduled agenda, the public is offered an opportunity to address the County Commission.**

On Tuesdays and Thursdays the County Commission also considers and approves accounts payable, conducts routine county business, informally holds meetings and discussions with officeholders, employees, the general public, and others.

The following is the tentative agenda for the Stone County Commission
